JUST GRILLED® Shrimp

What makes marinated, fully cooked and fire-grilled Starfish® Just Grilled® Shrimp stand out from the crowd?

We start with peeled succulent shrimp harvested live from ponds. After we marinate them in all-natural flavor blends of **Scampi** (garlic, butter and parmesan cheese), **Honey Jalapeno** (mild jalapeno flavor combined with sweet honey) and **Barbeque** (perfectly sweet and smoky), we cook them in our exclusive, custom-built fire grilling machines for a superb fresh-off-the-grill experience.

Just Grilled Shrimp is easy and versatile:
